Ameritas Managed Care Products

- Employers achieve a balance between cost efficiency and employee choice.
- Plan members are free to receive care from any dentist they choose. Their out-of-pocket expenses are generally lower when using a PPO dentist who has agreed to provide dental care at contracted fees.
- Over 70,000 PPO provider access points are available nationwide.
- PPO network dentists must meet our credentialing and quality assurance evaluation requirements.

Passive PPO

In passive PPO, the coinsurance, deductible and maximum are the same for the member in and out-of-network. The only difference is the claim allowance. There is an incentive for the member to see an in network dentist; however, there is no penalty for seeing an out-of-network dentist. As with all Ameritas PPO Solutions, the member has the liberty to choose any dentist they wish. However, they will usually save out-of-pocket costs by seeing an in-network dentist.

Commonly Asked PPO Questions

The plan provides excellent coverage for you and your eligible dependents. Please refer to the plan highlight for more details. As an added bonus, our plan includes access to Ameritas' Participating Provider Organization (PPO).

Do I have to use an Ameritas PPO provider?

No, employees and their covered dependents may utilize any licensed dental provider that they choose.

Please note, there is no difference in the coinsurance, deductible, and maximums on either plan whether a PPO provider is utilized or not.

Why would I use an Ameritas PPO provider?

By using a PPO provider:

- A Participating Provider is a dentist who has entered into an agreement to provide services to insured members of Ameritas' plans for a specific fee. Any insured member who chooses to go to a PPO provider will receive this discounted fee for procedures performed by that provider.
- As part of their contractual agreement with Ameritas, the PPO provider cannot "back-bill" the patient for the difference between the dentists' normal charges and the discounted fees that the dentist agreed to charge as an Ameritas PPO provider.
 - PPO providers are required to file the claim for the patient.
 - PPO providers are required to wait for reimbursement from Ameritas before billing the patient for any balances owed for deductibles, coinsurance, any amounts exceeding the annual maximum benefits, etc.

PPO panels are available in many areas; please visit the Ameritas **website at www.ameritasgroup.com** to search for a provider in your area.

What happens if I don't use an Ameritas PPO provider?

For members that do not want to utilize an Ameritas PPO provider, or if a PPO provider is not available in your area:

- We want to ensure that employees that utilize non-panel providers receive exceptional benefits that reimburse claims for non-panel providers in the most optimal way. Non-panel providers can charge their standard fees for any service. **However, the amount Ameritas allows for each procedure for non-panel provider utilizes 90th percentile of U&C (Usual & Customary) which is considered to be one of the highest reimbursement levels in the industry. This means that 9 out of 10 dentist's charges will fall within the amount that Ameritas allows for each procedure.** In doing so, employees can feel comfortable that very little back billing will occur due to the amounts allowed by the plan.

- Non-panel providers have no specific requirements regarding filing of claims. However, we have found that many dentists will assist the patient with the paperwork needed to file the claim. If a dentist is not willing to file the claim on the patient's behalf, the patient can simply attach the dentist's bill to a claim form that includes the patient's name and identification number, and fax or mail the claim to Ameritas for processing. Ameritas will process the claim, typically within 7-10 working days. Claim payment can be made to the patient or directly to the dentist if noted on the claim form. The patient can use Ameritas' claim forms which are available in the Benefit's Department or on the Ameritas website (this will be available via our Intranet in the near future), or the patient can use any generic claim forms that the dental office may have available. Filing claims is fast and easy with Ameritas!

EXCEPTIONS to this exclusion will be made if the replacement is made necessary by: a) accidental bodily injury to sound natural teeth (chewing injuries are not considered accidental bodily injuries), or b) the extraction of a sound natural tooth provided the replacement is completed within 12 months of the date of the injury or extraction.

If you meet all 3 requirements then you will be eligible for the Annual Maximum Carryover benefit.
