Provider Directory Disclaimer

As of the issue date of this directory, all providers are currently accepting new patients. The hard copy provider directory is updated monthly. As our provider network is constantly growing and a provider's status may change, Superior Vision recommends that members visit www.superiorvision.com to get the latest listing of our providers. Our Customer Service department (800-507-3800) can also verify a provider's current participation in the network.

Remember that not all providers are contracted for all services and/or discounts. Prior to your appointment, confirm services, discounts, and acceptance of the Superior Vision Plan with the provider."
