

## Texas Life Whole Life Plan

### **Common Issue Date: August 15, 2010 pending underwriting approval**

This Voluntary Permanent Life Program will allow you to purchase permanent life insurance for you and your eligible dependents.

VPL- plus is an individual permanent life insurance product specifically designed for employees and their families. It provides a guaranteed level premium and death benefit for the life of the policy, and you can keep the life insurance even after you retire.

As an employee, you are eligible to apply if you have satisfied your employer's eligibility period. You may also apply for coverage on your spouse, minor children and grandchildren.

### **WHY VOLUNTARY COVERAGE**

- Most employees are typically dependent on group term life insurance
- Today more adults than ever have only group life insurance obtained through their employers, but they carry the lowest average amount of coverage.<sup>1</sup>
- On the other hand, adults with both individual life and group life policies have the highest life insurance protection.<sup>1</sup>
- Most term policies generally expire before paying a death claim
- When do you want a life insurance policy in force?  
— Answer: When you die
- Term is for IF you die; permanent is for WHEN you die
- Everybody dies
