

AUL Short Term Disability Plan

Effective Date: August 1, 2015

Why do you need Disability Insurance? Consider this . . .

Statistics show you are much more likely to be injured in an accident than to die from one.

- A fatal injury occurs every 5 minutes, and a disabling injury occurs every 1.5 seconds.¹
- There is a death caused by a motor vehicle crash every 12 minutes; there is a disabling injury every 14 seconds.¹
- In the home, there is a fatal injury every 16 minutes and a disabling injury every 4 seconds.¹

While many people survive accidental injuries, many others live with serious illnesses.

- In the United States, men have a little less than a 1-in-2 lifetime risk of developing cancer; for women the risk is a little more than 1-in-3. The five-year relative survival rate for all cancers combined is 63%.²
- One in five males and females has some form of cardiovascular disease. High blood pressure is the most common form of cardiovascular disease.³
- More than 35 million Americans are now living with chronic lung diseases, such as asthma, emphysema, and chronic bronchitis.⁴

Advances in medicine are allowing us to live longer. However, recovery from a serious illness or injury often requires time away from work.

- In the last 20 years, deaths due to the big three (cancer, heart attack, and stroke) have gone down significantly. But disabilities due to those same three are up dramatically! Things that use to kill now disable.⁵

You have life insurance, home insurance, and automobile insurance. But is your income insured?

This means a period of time a disabled Employee must be out of work and totally disabled before weekly benefits begin; seven (7) consecutive days for a sickness and zero (0) days for injury.

Benefit Duration

This is the period of time that benefits will be payable for disability. You can choose a maximum STD benefit duration, if continually disabled, of thirteen (13) weeks.

Basis of Coverage

24 hour coverage, on or off the job.

Maternity Coverage

Benefits will be paid the same as any other qualifying disability, subject to any applicable pre-existing condition exclusion.

STD Pre-Existing Condition Exclusion

This Pre-Existing Condition limitation will be waived for all Persons who were included as part of the final premium billing statement received by AUL/ OneAmerica from the prior carrier and will be Actively at work on the effective date.
