In no event will the total amount of coverage including any GIB increases exceed the maximum Life Amount shown in the Schedule of Benefits, or five (5) times, or other function of Your Annual Base Salary.

Any increase in Dependent Insurance can occur when Your GIB increases the Life Amount and the Dependent Insurance is a percentage of Your Life Amount.

If You decline coverage during the Initial Enrollment Period and want to enroll at a later Scheduled Enrollment date, receipt of any coverage will first require Evidence of Insurability and information satisfactory to AUL. Approval will be based on Evidence of Insurability and information satisfactory to AUL. If coverage is approved, coverage will begin on the date identified in writing by AUL. If You are approved for coverage during the Scheduled Enrollment, You will be eligible to request the GIB at the next Scheduled Enrollment Period.

If coverage for You is declined following unsatisfactory Evidence of Insurability, no GIB will be available until Evidence of Insurability and information satisfactory to AUL is received. Approval will be based on Evidence of Insurability and information satisfactory to AUL. If the GIB request is approved, coverage will begin on the date identified in writing by AUL.

COVERAGE AMOUNTS REQUESTED IN EXCESS OF THE GUARANTEED INCREASE IN BENEFIT

During Scheduled Enrollment Periods, You may apply to increase coverage above the GIB, however, receipt of any coverage above the GIB will first require Evidence of Insurability and information satisfactory to AUL. Approval will be based on Evidence of Insurability and information satisfactory to AUL. If coverage is approved, coverage will begin on the date identified in writing by AUL.

If coverage for You is declined following unsatisfactory Evidence of Insurability, no GIB will be available until Evidence of Insurability and information satisfactory to AUL is received. Until the GIB is approved, only the amount previously approved by AUL will be available.

SECTION 6 - CHANGES IN INSURANCE COVERAGE

- 1) at AUL's expense;
- 2) by a Physician of AUL's choice.

While You meet the conditions set forth above and is approved by AUL for the benefit You will retain coverage for the Life Amount without the need to make further premium payments until the first of the following occurs:

- 1) proof of Total Disability is not received by AUL;
- 2) You become employed, or are found able to be employed in an occupation for which You are reasonably fitted by training, education or experience;
- 3) You refuse to undergo a medical examination requested by AUL;
- 4) the date You are not under the Regular Attendance of a Physician;
- 5) proof of continuous Total Disability is not submitted within the twelfth month of any benefit period unless it was not possible to do so;
- 6) You attain age 65;
- 7) Your class terminates; or
- 8) You are no longer Totally Disabled.

SECTION 8 - WAIVER OF PREMIUM

When You are approved for coverage under this Waiver of Premium for Total Disability, the coverage existing under the policy for You will reduce based on the reduction schedule in the Schedule of Benefits page.

If You are not approved for this benefit, or if the Waiver of Premium benefit coverage ceases and You do not return to Active Work You may, within 31 days from notice of the adverse benefit determination or the cessation of coverage, apply to:

- 1) continue Your coverage, pursuant to Section 7A, Portability; or
- 2) convert Your Life Amount to an individual life insurance policy, pursuant to Section 10, Conversion Privilege.

If benefits under the Waiver of Premium for Total Disability end because You return to Active Work with the Participating Unit, and the policy is still in force You are eligible to apply for the coverages available to Your class.

If You die during the Elimination Period and benefits are payable under the policy Your Beneficiary will be entitled to the Life Amount.

If benefits are payable under the policy after You are approved for Waiver of Premium and You have applied and been issued an individual life insurance policy under Section 10, Conversion Privilege, any amount payable under the policy will be reduced by the amount payable under the individual life insurance policy. **IN NO EVENT WILL A BENEFIT BE PAYABLE UNDER BOTH THE INDIVIDUAL LIFE INSURANCE POLICY AND THE POLICY GREATER THAN THE LIFE AMOUNT.**

SECTION 9 - INDIVIDUAL TERMINATIONS

Personal Insurance terminates on the earliest of the following dates:

- 1) the date the Participating Unit's coverage under the policy is terminated;
- 2) the last day of the Coverage Month in which You request termination but not prior to the date of the request;
- 3) the last day of the Coverage Month for which any required premium payment was not received by AUL;
- 4) the last day of the Coverage Month during which You cease to be eligible. See Section 3, Eligibility;
- 5) the last day of the Coverage Month during which You enter active military service for any country except for temporary duty of 30 days or less;
- 6) the last day of the Coverage Month during which You cease Active Work, except for an event listed in the policy in Continuation of Insurance, see Section 7, Continuation of Insurance;
- 7) the date of an adverse benefit determination under the Waiver of Premium provisions; or
- 8) the last day of the Coverage Month during which You become a Retiree, unless the Schedule of Benefits includes a specific classification for Retirees.

SECTION 10 - CONVERSION PRIVILEGE

If Your coverage or a portion of it, terminates because You are no longer eligible for coverage under the policy You may apply for an individual life insurance conversion policy without evidence of insurability. The coverage amount of the individual life insurance conversion policy shall not exceed the amount of life insurance that ceases because of loss of eligibility for coverage under the policy minus the amount of any group life coverage for which You become eligible within 31 days of termination.

If Your coverage ceases due to termination of the policy You may apply for and receive an individual life insurance conversion policy if Your group life insurance has been in force with AUL for five (5) continuous years before the termination date. The coverage amount of the individual life insurance conversion policy may not exceed the LESSER of:

- 1) the amount of life insurance that ceases because of termination minus the amount of any group life coverage for which You become eligible within 31 days of termination; or
- 2) \$2,000.

The conversion privilege is subject to the following:

- 1) Written application must be made and the first premium must be paid within 31 days after the date of termination of insurance.
- 2) An individual life insurance policy other than term life insurance, offered by AUL at the time of conversion, may be selected.
- 3) The premium on the individual life insurance policy must be at AUL's then customary rate applicable to the form and amount of the individual life insurance policy, to the class of risk to which You or Your dependent then belong, and to the individual age attained by You or Your dependent on the effective date of the individual life insurance policy.
- 4) The individual life insurance conversion policy takes effect on the last day of the application period and is in lieu of all benefits under the policy.

If notice of the existence of the conversion right is not given at least 15 days before the expiration of the period during which the conversion application and payment of the first premium must be made under the terms of the policy, You have an additional period within which to exercise the conversion right. The additional conversion application period created to exercise a right of conversion expires 15 days after You are given notice of the conversion right. However, irrespective of the date on which notice is given or of the absence of any notice, the additional conversion application period may not extend beyond 60 days after the expiration date of the period within which conversion application period and payment of the first premium were to be made under the terms of the policy. For purposes of this section, notice of the right of conversion may be given to You in writing, presented to You; mailed by the Participating Unit to Your last known address; or mailed by the insurer to Your last known address as furnished by the Participating Unit.

If death occurs during the conversion application period, AUL will pay the Life Amount available for conversion whether or not the application or the first premium payment has been made. After the 31-day period, no conversion application will be accepted unless it is proven that it was not possible for You to apply in a timely fashion. The individual life insurance conversion policy will not include Accidental Death benefits or any other benefits currently in force under the policy.

Premium must be paid to and received by AUL for coverage during the conversion application period.

IF DEATH OCCURS DURING THE CONVERSION APPLICATION PERIOD, IN NO EVENT WILL BENEFITS BE PAYABLE UNDER BOTH THE INDIVIDUAL CONVERSION POLICY AND THE POLICY.

SECTION 11 - INDIVIDUAL REINSTATEMENTS

If Personal Insurance, and Dependent Insurance if any, terminates due to termination of Your employment You can apply to reinstate that coverage following return to Active Work. The following conditions apply:

- 1) When You return to Active Work within 30 days of termination of coverage, coverage becomes effective on the first day of the next Coverage Month following Your return to Active Work. Evidence of Insurability will not be required for any amount of coverage less than the Guaranteed Issue Amount.
- 2) When return to Active Work occurs after the period shown in paragraph 1 above You will be considered a New Employee and must satisfy all New Employee requirements. See Section 3, Eligibility, Enrollment, and Individual Effective Date. Evidence of Insurability will not be required for any amount of coverage less than the Guaranteed Issue Amount.
- 3) When the Life Amount has been converted under the Conversion Privilege, Section 10, the Life Amount available for reinstatement under the policy will be reduced by the amount of coverage under the individual life insurance policy. In no event will the amount of coverage reinstated under this Section and the amount of coverage under the individual life insurance policy be greater than the Life Amount existing on Your termination of employment.
- 4) Prior to applying for reinstatement, AUL must have received the required amount of premium timely.
- 5) The maximum amount of coverage reinstated will not exceed the maximum amount of coverage which would have been available had Your coverage not terminated.

If reinstatement is requested for any reason other than returning to Active Work, medical underwriting and satisfactory Evidence of Insurability, at no expense to AUL, will be required prior to AUL's approval of coverage. The effective date of reinstatement will be the date determined by AUL in writing.

IN NO EVENT CAN AN EMPLOYEE HAVE COVERAGES FROM ALL EXISTING AUL GROUP VOLUNTARY TERM LIFE INSURANCE CONTRACTS EXCEEDING THE MAXIMUM AMOUNT SHOWN IN THE SCHEDULE OF BENEFITS.

SECTION 13 - ACCELERATED LIFE BENEFIT

The following definitions apply only to this section:

DEFINITION

TERMINAL CONDITION means an injury or Sickness that, despite appropriate medical care, is conclusively established to AUL will result in Your death within 12 months from the date of claim, AUL may require that You be examined at AUL's expense by AUL's choice of Physician.

ACCELERATED LIFE BENEFIT

If You are Permanently and Totally Disabled and are diagnosed with a Terminal Condition and are eligible for benefits under this Section, You may apply for payment of the Accelerated Life Benefit. The amount of Accelerated Life Benefit available is shown in the Schedule of Benefits, unless any portion of Your Life Amount has already been paid. The amount of Accelerated Life Benefit available will then be based on the amount remaining after payment of any portion of the Life Amount. Benefits will be paid in one lump sum to You.

CONDITIONS

To be eligible to apply for the Accelerated Life Benefit:

- 1) You must have Personal Insurance;
- 2) You must be determined by AUL to be Permanently and Totally Disabled from any occupation;
- 3) You must be under age 60;
- 4) You must be diagnosed by a Physician with a Terminal Condition while eligible for benefits under this Section;
- 5) If You are subject to laws of a community property state, you must obtain Your spouse's written consent for payment to You of the Accelerated Life Benefit; and
- 6) You can receive an Accelerated Life Benefit only once.

PROOF REQUIRED FOR THE ACCELERATED BENEFIT

Proof is a completed claim form and other information AUL requires in order to determine whether benefits are owed under this Section. AUL may require that You be examined by a Physician selected by AUL and at AUL's expense.

LIMITATIONS

An Accelerated Life Benefit will not be paid if:

- 1) You have named an irrevocable Beneficiary or made an assignment of Your Life Amount;
- 2) all or a portion of Your Life Amount is to be paid to another person or entity pursuant to a valid court order;
- 3) Your coverage terminates;
- 4) the Participating Unit's coverage under the policy terminates, unless Continuation of Insurance is selected;
- 5) the Portable terminates; or
- 6) the policy terminates.

SECTION 13 - ACCELERATED LIFE BENEFIT
(Continued)

EFFECT OF PAYMENT OF ACCELERATED LIFE BENEFIT

After payment of an Accelerated Life Benefit, Your Life Amount payable at death to Your Beneficiary equals:

- 1) Your Life Amount as if an Accelerated Life Benefit payment had not been made, minus
- 2) the amount of the Accelerated Life Benefit paid, minus
- 3) the interest charge.

The interest charge equals the Accelerated Life Benefit amount, times the number of days from the date of payment to Your date of death divided by 365, times the interest rate. The interest rate will be based on the current 90-day Treasury bill rate existing on the date of payment of the Accelerated Life Benefit.

The required amount of premiums must continue to be received by AUL on the original Life Amount, unless premiums have ceased due to coverage under the Waiver of Premium benefit of the policy.

The AD&D Principal Sum, if any, will not be reduced by payment of the Accelerated Life Benefit.

The following information is used for illustrative purposes only:

Example: Life insurance in force = \$100,000*
Date of receipt of proof of terminal condition = 10/31/05
Date of payment of Accelerated Life Benefit = 11/1/05
Date of death = 2/15/06
Interest rate** = 3.5%

1. Amount of Accelerated Life Benefit = $.50 \times \$100,000 = \$50,000$
2. Interest Charge = $\$50,000 \times (106 \text{ days} / 365 \text{ days}) \times .035 = \508.22
3. Death Benefit Payable = $\$100,000 - \$50,000 - \$508.22 = \$49,491.78$

*Your Life Insurance amount is shown in the Schedule of Benefits in Your insurance certificate.

**The interest rate is equal to the 90-day treasury bill rate on the date of the Accelerated Life Benefit payment.

NOTE: The Accelerated Life Benefit offered under the policy is intended to qualify for favorable tax treatment under the Internal Revenue Code of 1986. If the Accelerated Life Benefit qualifies for such favorable tax treatment, the benefit will be excludable from the Employee's income and not subject to federal taxation. The laws relating to Accelerated Life Benefits are complex. Employees are advised to consult with a qualified tax advisor about circumstances under which they could receive an Accelerated Life Benefit excludable under federal law. Eligibility for Public Assistance: Receipt of an Accelerated Life Benefit may affect the Employee's, their Dependent spouse's, or their family's eligibility for public assistance programs such as medical assistance (Medicaid), Aid to Families with Dependent Children (AFDC), supplementary social security income (SSI), and drug assistance programs. Employees are advised to consult with a qualified tax advisor and with social service agencies concerning how receipt of such a payment will affect the Employee's, their Dependent spouse's, and their family's eligibility for public assistance.

SECTION 14 - SUICIDE LIMITATION

LIMITATION: If You commit suicide, while sane or insane:

- 1) within two (2) years from the effective date of Personal Insurance with AUL, the benefits payable will be limited to the premiums paid under the policy for You; or
- 2) two (2) or more years after the effective date of Personal Insurance with AUL, but within two (2) years of the effective date of an increase in the amount of coverage the benefits payable will be limited to the coverage in effect under the policy prior to the effective date of the increase, if any, plus the premiums paid for the increased coverage.

If the Participating Unit's coverage under the policy replaced a prior carrier's group life insurance coverage and You were insured with the prior carrier's group life insurance policy, the Suicide Limitation period will begin on the effective date of Your coverage with the prior carrier.

SECTION 15 - PAYMENT OF DEATH BENEFITS

If You die while insured under the policy, AUL will pay the benefits owed under the policy to the Beneficiary:

- 1) upon timely receipt of acceptable proof of death; and
- 2) subject to all other provisions of the policy and to Your dated and signed designation.

The following Sections describe the manner in which death benefits are paid.

SECTION 16 - NAMING OF BENEFICIARY

BENEFICIARY means the individual, individuals or entity named by You to receive Your Life Amount.

Unless the policy provides otherwise, AUL will pay benefits according to Your Beneficiary designation.

When You apply for coverage on an AUL-approved form, You should:

- 1) designate the name of one or more Beneficiaries;
- 2) classify the Beneficiaries by order of preference, either primary or contingent; and
- 3) indicate distribution of the proceeds among members of the class of Beneficiaries.

If more than one primary Beneficiary is listed and no distributive share is indicated, then all primary Beneficiaries will share equally. If no primary Beneficiaries outlive You and there is no distributive share indicated among the contingent Beneficiaries, then all contingent Beneficiaries will share equally.

If the policy replaces insurance coverage of another carrier, AUL may, upon written request of the Participating Unit recognize Beneficiary designations in effect under the prior coverage as effective until a new designation is made with AUL, provided that prior designations are in a form acceptable to AUL and the Participating Unit receives AUL's written approval of the form.

CHANGING A BENEFICIARY

You may change a Beneficiary at any time by written request. The request must be completed, signed, dated and filed through the Participating Unit.

AUL may recognize a beneficiary change as of the date the form was signed by You even if You are not alive when AUL receives it. However, AUL is not liable if benefits are paid according to the previous designation before AUL receives the change. If You apply for an individual life insurance conversion policy under Section 10, Conversion Privilege and name a new Beneficiary, AUL will use any beneficiary designated in that application when determining which beneficiary to pay.

AUL reserves the right to require that any Beneficiary designation be acceptable to it and be made pursuant to applicable laws.

SECTION 17 - THE DEATH CLAIM

If You die while insured under the policy, proof of death should be furnished as soon as possible. The claim must be submitted within 12 months of the date of death. The claim may still be considered if it can be shown that timely submission of the claim was not possible due to events beyond the control of the beneficiary, but will not be considered after the applicable statute of limitations has passed.

Proof of death must include:

- 1) a certified death certificate; and
- 2) a completed claim form.

AUL, at its option, may also require:

- 1) return of Your insurance certificate;
- 2) submission of pertinent medical records, including an autopsy report;
- 3) police reports; or
- 4) any other documents AUL may deem reasonably necessary to determine what benefits and to whom benefits are owed.

If the cause of death cannot be clearly established by other means, AUL reserves the right to have a medical examination performed. The examination will be performed:

- 1) at AUL's expense; and
- 2) by a Physician of AUL's choice.

If the policy is no longer in force, proof furnished more than two (2) years from the date of loss must also include:

- 1) proof of employment at death; and
- 2) proof of coverage under the policy at death.

SECTION 18 - DETERMINATION OF DEATH BENEFIT PAYEE

Once acceptable proof of death is received, AUL will determine the Beneficiaries or payees in the following order:

- 1) If more than one primary Beneficiary is listed and no distributive share is indicated, then all primary Beneficiaries will share equally.
- 2) If no primary Beneficiaries outlive You and there is no distributive share indicated among contingent Beneficiaries, then all contingent Beneficiaries will share equally.
- 3) If no named Beneficiaries outlive You or none were named, then at AUL's option, the closest surviving heir(s) if the benefits could be paid to these heir(s) under applicable small estate laws. Heirs will be considered in descending order of preference as follows:
 - a) spouse;
 - b) child(ren);
 - c) parent(s); or
 - d) brother(s) and sister(s).
- 4) If no named Beneficiaries outlive You or none were named and the benefits could not be paid to the closest surviving heir(s) under applicable small estate laws, then Your estate.

AUL may, at its option, pay the proceeds in an amount up to \$500 to any individual appearing to AUL to be legally entitled to payment by reason of having paid funeral or other burial expenses related to Your death.

In the event You and Your Dependents should die simultaneously or if there is no clear evidence as to which individual died first, it shall be presumed that the Dependents should have predeceased You.

If any Beneficiary dies within 15 days after Your death, the Beneficiary will be treated as having died before You. This provision does not apply to any payment mailed to such Beneficiary during the 15 days following Your death, and any payment made in good faith shall fully discharge AUL.

SECTION 19 - SELECTION OF PAYMENT METHOD

The proceeds will be paid in a lump sum unless another payment method is selected or changed by giving written notice to AUL prior to Your death. If no payment method is in effect at death, the payee may select a payment method. For information concerning payment method options, You or payee should contact AUL.

Benefits will be paid only if AUL decides in its discretion the person is entitled to them and after AUL approves the payment method. Any person who becomes entitled to receive any portion of the proceeds under the policy shall be entitled to receive payment of interest if any payment is not received by such person within 30 days after the event giving rise to the obligation and after all requested information is received by AUL. Interest payable shall be calculated at an annual rate after all requested information is received by AUL. The rate of interest payable shall be the lesser of 3% or that rate, as determined from time to time by AUL, applicable to proceeds of life insurance left on deposit with AUL and subject to withdrawal on demand. For the purposes of this section, payment shall be deemed to have been received by the person when deposited by AUL in United States mail, postage prepaid, and directed to the person's last known address or the Participating Unit's address shown in AUL's records.

Other than lump sum payment, AUL reserves the right to specify the minimum periodic payment when a method is to become effective.

SECTION 21 - GENERAL POLICY PROVISIONS

ENTIRE CONTRACT: The policy, the enrollment forms of the individuals, the application of the Participating Unit, the application/Subscription Agreement of the Participating Unit, and any amendments made from time to time constitute the entire contract.

AMENDMENT and CHANGES: A Participating Unit's coverage under the policy may be amended by mutual agreement between the Participating Unit and AUL but without prejudice to any valid claim incurred prior to the effective date of the amendment. The policy may be changed or corrected by AUL at any time. However, no change in the Participating Unit's coverage under the policy will be valid unless written notice is provided by AUL containing the signature of its Chief Executive Officer or Secretary. No agent may or has the authority to waive, alter or change any terms and conditions of the policy or coverage.

SUBSCRIPTION AGREEMENT: An approved copy of the Subscription Agreement will be given to the Participating Unit when coverage is approved and offered by AUL. All statements made by an Employee or Dependents are deemed representations and not warranties. No statement made by an Employee or a Dependent may be used in any contest unless a copy of the instrument containing the statement is or has been furnished to the Employee or Dependent or, in the event of death or incapacity of the Employee or Dependent, to the Employee's or Dependent's Beneficiary or personal representative.

INCONTESTABILITY: The validity of the policy may not be contested, except for nonpayment of premiums, after the policy has been in force for two years after its date of issue, and other than a misrepresentation of a material fact, no statement made by a Participating Unit or an Employee or a Dependent relating to his insurability may be used in contesting the validity of the insurance with respect to which the statement was made, unless: (1) the insurance has not been in force for a period of two years or longer; or (2) the statement is contained in a written instrument signed by the Employee or the Dependent. However, AUL is not precluded from asserting at any time any defenses based upon provisions in the policy relating to eligibility for coverage. All statements made by the Employee or Dependents insured are to be deemed representations and not warranties, and that other than a misrepresentation of a material fact no statement made by any person insured may be used in any contest unless a copy of the instrument containing the statement is or has been furnished to the Employee or Dependents or, in the event of death or incapacity of the Employee or Dependent, to the Employee's or Dependent's beneficiary or personal representative.

INSURANCE FRAUD: AUL wants to ensure that its customers do not incur additional insurance costs as a result of the act of insurance fraud. AUL promises to focus on all means necessary to support fraud detection, investigation and prosecution.

Any person who knowingly presents a false or fraudulent claim for payment of a loss or benefit or knowingly presents false information in an application for insurance may be guilty of a crime and may be subject to fines and confinement in prison

RELATIONSHIP: AUL and the Participating Unit are, and will remain, independent contractors. Nothing in the policy shall be construed as making the parties joint ventures or as creating a relationship of employer and employee, master and servant, or principal and agent. Neither party has any power, right or authority to bind the other or to assume or create any obligation or responsibility on behalf of the other. AUL and the Participating Unit each retain exclusive control of their time and methods to perform their respective duties. AUL and the Participating Unit will employ, pay and supervise their own employees and pay their own expenses during the term of the policy.

SECTION 21 - GENERAL POLICY PROVISIONS
(Continued)

DISCRETIONARY AUTHORITY: Benefits under the policy will be paid only if AUL decides in its discretion that the applicant is entitled to them. Except for the functions the policy explicitly reserves to a Participating Unit, AUL reserves the right to:

- 1) manage the policy and administer claims under it; and
- 2) interpret the provisions and resolve questions arising under it.

AUL's authority includes, but is not limited to, the right to:

- 1) establish and enforce procedures for administering the policy and claims under it;
- 2) determine applicant's eligibility for insurance and entitlement to benefits;
- 3) determine what information AUL reasonably requires to make such decisions; and
- 4) resolve all matters when a claim review is requested.

Any decision that AUL makes, in the exercise of its authority, will be conclusive; subject to the Employee's or beneficiary's right to request reviews allowed under applicable laws.

GRACE PERIOD: Premiums are due monthly and must be received by AUL within the required time frame for coverage to remain in force. The Employee is entitled to a grace period of 31 calendar days for the payment of any premium due except the first. During the grace period, the insurance coverage shall continue in force, unless AUL has received written notice of termination in advance of date of termination and in accordance with the terms of the policy. A Participating Unit is liable to AUL for the payment of a pro rata premium for the time the policy was in force during the grace period. If the required amount of premium is not received by the end of the grace period, the insurance will terminate as of the last day of coverage for which premium was paid.

LEGAL ACTION: No legal action may be brought to obtain benefits under the policy:

- 1) for at least 60 days after proof of loss has been furnished and before arbitration is held pursuant to the arbitration provisions in the policy; or
- 2) after five (5) years from the time written proof of loss is required to have been furnished to AUL.

CONFORMITY WITH STATE LAWS: Any provision of the policy in conflict with the laws of the state in which it is delivered is amended to conform to the minimum requirements of those laws.

DATA AND RECORDS: The Participating Unit must furnish information which AUL reasonably requires. The Participating Unit's documents which may have a bearing on the insurance shall be open for inspection by AUL at all reasonable times.

GENDER PRONOUNS: Whenever the male pronoun is used, it shall also mean the female.

SECTION 21 - GENERAL POLICY PROVISIONS
(Continued)

ERISA APPEAL GUIDELINES WHEN POLICY IS GOVERNED BY ERISA: If a claimant wishes to appeal AUL's decision, claimants are allowed 60 days following receipt of a notification of an adverse benefit determination within which to appeal the determination. Claimants are allowed the opportunity to submit written comments, documents, records, and other information relating to the claim for benefits. The claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the claimant's claim for benefits. Whether a document, record, or other information is relevant to a claim for benefits shall be determined by reference to paragraph (m)(8) of 29 C.F.R. Section 2560.503-1. AUL's review will take into account all comments, documents, records, and other information submitted by the claimant relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination. A claimant has a right to obtain the information about any voluntary appeal procedures offered by the plan described in paragraph (c)(3)(iv) of 29 C.F.R. Section 2560.503-1 and has a right to bring an action under section 502(a) of ERISA. A final determination will be provided pursuant to 29 C.F.R. Section 2560.503-1.

CERTIFICATES: AUL will issue certificates to the Participating Unit for delivery to the insured Employee. The certificate will summarize the Participating Unit's coverage under the policy and will state:

- 1) the benefits provided; and
- 2) to whom the benefits are payable.

If there is any discrepancy between the provisions of any certificate and the provisions of the policy, the provisions of the policy will govern.

ASSIGNMENT: A Participating Unit may not assign any benefits or rights under the policy without first receiving AUL's written approval.

You may make an absolute assignment of all benefits and rights of his coverage. Any coverage is assignable to the extent permitted by the law except that no collateral assignment is permitted. No assignment is binding unless filed with AUL in a form acceptable to it. AUL assumes no responsibility for the validity or effect of any assignment.

CLAIMS OF CREDITORS: The benefits paid under the policy will be exempt from the claims of creditors to the maximum extent permitted by law.

CLERICAL ERROR: Clerical error on the part of the Participating Unit or AUL will not invalidate insurance otherwise in force or continue insurance otherwise terminated. Upon discovery of an error, an equitable adjustment will be made in the premiums and/or benefits, if appropriate.

MISSTATEMENT OF AGE: If the age of an Employee or Dependent has been misstated, the benefits will be payable based on the true facts. Premium adjustment will be made so that AUL will receive the actual premium required based on the true facts. Any adjustment of benefits due to the correction of age will also be made.

SECTION 21 - GENERAL POLICY PROVISIONS
(Continued)

ARBITRATION: Any controversy or claim arising out of or relating to the policy, the sale or solicitation of the policy, or its breach thereof whether in tort, contract, breach of duty (including but not limited to) any alleged fiduciary, good faith and fair dealing duties, shall be decided by arbitration in accordance with the Federal Arbitration Act, the procedures of the commercial arbitration rules of the American Arbitration Association, and this agreement. The Court of Arbitrators, which is to be held in the county seat where the Participating Unit resides, shall consist of three (3) arbitrators familiar with group insurance and employee welfare benefit plans. The selection of the arbitrators shall be conducted within 30 days after proper service of a demand for arbitration. One of the arbitrators shall be appointed by AUL, one by the insured, and the third shall be selected by the first two appointees prior to the beginning of arbitration. Should the two arbitrators be unable to agree upon the choice of a third, the appointment shall be left to the President or any Vice President of the American Arbitration Association. The arbitrators shall decide by a majority of votes, the award shall be in writing, the decision shall be signed by a majority of the arbitrators, and they shall include a statement regarding the reasons for the disposition of any claim. Judgment on the award rendered by the arbitrators may be entered by any court having jurisdiction thereof. The parties are not precluded from challenging the decision under the Federal Arbitration Act or applicable law. Unless not allowed under applicable law, each party shall bear the expense of its own attorney and arbitrator, and shall share equally with the other party the expenses of the third arbitrator and of the arbitration.

The parties agree that AUL is engaged in interstate commerce, and the transaction is governed by the Federal Arbitration Act, 9 U.S.C. Sections 1-16.

Consistent with the expedited nature of arbitration, each party will, upon the written request of the other party, promptly provide the other with copies of documents relevant to the issues raised by any claim or counterclaim on which the producing party may rely in support of or in opposition to any claim or defense. Any dispute regarding discovery, or the relevance or scope thereof, shall be determined by the arbitrator(s), which determination shall be conclusive. All discovery shall be completed within 60 days following the appointment of the arbitrator(s) or longer following mutual agreement by the parties.

SECTION 22 - PREMIUM PAYMENT

Each premium is remitted in United States dollars by the Participating Unit or by the Portable to AUL on or before its due date. Upon the request of the Participating Unit and the written consent of AUL, the interval of payment may be changed. Payment of any premium does not maintain the insurance in force beyond the end of the period for which the premium has been paid or after the policy has terminated except as provided under the Grace Period or Portable provision.

AUL reserves the right to change premium rates on:

- 1) any date after the Participating Unit's coverage has been in effect for 2 years by giving written notice to the Participating Unit at least 31 days before the date the change is to become effective;
- 2) any date the benefit or eligibility provisions of the policy are changed;
- 3) any date the number of Employee's insured through the changes by 25% or more;
- 4) any date an Insured Unit is added to the policy; or
- 5) any date on which AUL learns any information provided by the Participating Unit prior to and after the date of the application for insurance was not true or accurate and would have changed any coverage, changed the premium rates, and/or would have required further evaluation by AUL prior to AUL's approval of coverage.

Increases in premium due to:

- 1) age bracket changes, if any; or
- 2) salary changes (if benefits are based on a function of salary)

will be effective on the Participating Unit's Anniversary Date following the date of change.

SECTION 23 - INSURED UNITS

PROVISIONS APPLICABLE TO ELIGIBLE UNITS

The Participating Unit is liable for all premiums due for an Insured Unit during any period of time it is an Insured Unit under the policy.

EFFECTIVE DATE

Insurance for an Eligible Unit becomes effective on:

- 1) the effective date of the policy is when the Eligible Unit is approved for coverage by AUL and shown in the

SECTION 24 - TERMINATION OF THE POLICY

AUL may terminate the policy at the end of any Coverage Month by giving at least 31 days prior notice to the Participating Unit or Portable. AUL will still be liable for payment of valid claims incurred and benefits owed under the policy before the termination date.

SECTION 25 - TERMINATION OF A PARTICIPATING UNIT

Insurance for a Participating Unit ceases on the earliest of:

- 1) the date the Participating Unit no longer meets the definition of the Participating Unit or assigns the policy to another entity without AUL's written approval;
- 2) the date the Participating Unit ceases business operations or is placed in bankruptcy or receivership;
- 3) the date the Participating Unit loses its entity by means of dissolution, merger, majority change in ownership, transfer of assets, transfer of employees to another entity, etc or otherwise;

NOTICE CONCERNING COVERAGE UNDER THE TENNESSEE LIFE AND HEALTH GUARANTY ASSOCIATION ACT

Residents of Tennessee who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Tennessee Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the Guaranty Association is not unlimited, however. And, as noted below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

The state law that provides for this safety-net coverage is called the Tennessee Life and Health Insurance Guaranty Association Act. The following is a brief summary of this law's coverages, exclusions and limits. **This summary does not cover all provisions of the law or describe all of the conditions and limitations relating to coverage. This summary does not in any way change anyone's rights or obligations under the act or the rights or obligations of the Guaranty Association.**

COVERAGE

Generally, individuals will be protected by the Life and Health Insurance Guaranty Association if they live in this state and hold a life or health insurance contract, or an annuity, or if they are insured under a group insurance contract issued by an insurer authorized to conduct business in Tennessee. Health insurance includes disability and long term care policies. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are not protected by this Guaranty Association if:

- 1) they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose Guaranty Association protects insureds who live outside that state);
- 2) the insurer was not authorized to do business in this state;
- 3) their policy was issued by an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange.

The Guaranty Association also does not provide coverage for:

- 1) any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such a variable contract sold by prospectus;
- 2) any policy of reinsurance (unless an assumption certificate was issued);
- 3) interest rate yields that exceed an average rate;
- 4) dividends;
- 5) credits given in connection with the administration of a policy by a group contractholder;
- 6) employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- 7) unallocated annuity contracts (which give rights to group contractholders, not individuals).

LIMITS ON AMOUNT OF COVERAGE

The act also limits the amount the Guaranty Association is obligated to pay out: The Guaranty Association cannot pay more than what the insurance company would owe under a policy or contract. For any one insured life, the Guaranty Association guarantees payments up to a stated maximum no matter how many policies and contracts there were with the same company, even if they provided different types of coverage. These aggregate limits per life are as follows:

- \$300,000 for policies and contracts of all types, except as described in the next point
- \$500,000 for basic hospital, medical and surgical insurance and major medical insurance issued by companies that become insolvent after January 1, 2010

Within these overall limits, the Guaranty Association cannot guarantee payment of benefit greater than the following:

- life insurance death benefits - \$300,000
- life insurance cash surrender value - \$100,000
- present value of annuity benefits for companies insolvent before July 1, 2009 - \$100,000
- present value of annuity benefits for companies declared insolvent after June 30, 2009 - \$250,000
- health insurance benefits for companies declared insolvent on or after January 1, 2010 - \$100,000
- health insurance benefits for companies declared insolvent on or after January 1, 2010:
 - \$100,000 for limited benefits and supplemental health coverages
 - \$300,000 for disability and long term care insurance
 - \$500,000 for basic hospital, medical and surgical insurance or major medical insurance

The Tennessee Life and Health Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in Tennessee. You should not rely on coverage by the Tennessee Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

Coverage is NOT provided for your policy or any portion of it that is not guaranteed by the insurer for which you have assumed the risk, such as a variable contract sold by prospectus.

Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the Guaranty Association to induce you to purchase any kind of insurance policy.
