80-90-100% INCENTIVE

Everyone insured on the effective date of the Company's policy begins with 80% coinsurance for Basic procedures and will remain at that level until the next January 1. If you visit a dentist during each Calendar Year and have at least one covered dental procedure performed while insured under the Company's policy, your Basic procedures will advance to the next coinsurance level at the beginning of each year as long as you had one covered procedure in the previous year.

Once you have reached the 100% coinsurance level, basic will remain at that level as long as you continue to visit the dentist for one covered procedure each year.

If you do not have at least one covered dental procedure during any calendar year while insured under the Company's policy, you will revert back to 80% coinsurance level during the next calendar year and must begin to progressively advance to the next levels as described above.

ANNUAL MAXIMUM CARRYOVER

1. Visit a dentist between January 1 and December 31 of each year.
2. Submit a claim for a covered procedure prior to **March 1** of the following year.
3. Total dental benefits paid for the calendar year must be less than \$500.

If you meet all 3 requirements then you will be eligible for the Annual Maximum Carryover benefit. This benefit will provide you with an additional \$250 towards your annual dental maximum for the following year. In future years, if you continue to meet these requirements you will continue to see an increase in your annual maximum by \$250 until you have reached an annual maximum carryover limit of \$1,000. This benefit allows you to accumulate up to a \$2,000 **annual dental maximum**.

This exclusion will not apply if the prosthesis replaces a sound natural tooth which is extracted while the patient is insured under this Dental Coverage and which is replaced within 12 months of the extraction. During the first 36 months of coverage, the replacement of bridges, partial dentures, dentures, inlays or crowns is excluded. **EXCEPTIONS** to this exclusion will be made if the replacement is made necessary by: a) accidental bodily injury to sound natural teeth (chewing injuries are not considered accidental bodily injuries), or b) the extraction of a sound natural tooth provided the replacement is completed within 12 months of the date of the injury or extraction.

PRE-DETERMINATION OF BENEFITS

A treatment plan MAY be filed if a proposed course of treatment will exceed \$200.00. With this information, Ameritas can determine the benefits payable under this policy prior to the work actually being done. It will give the insured the amount payable, along with an idea of the out of pocket expense.

LATE ENTRANT

If you do not elect to participate in the dental program when first eligible, you will be considered a **Late Entrant** and you must wait 12 months for most benefits. If an employee or dependent does not elect to participate when initially eligible, and elects to participate at the policyholders next annual election period, they will become a **Late Entrant**. For a **Late Entrant**, benefits will be limited to exams, cleanings and fluoride applications for the first 12 months. The late entrant provision is waived if the employee comes on the plan as a result of a qualifying event.

COORDINATION OF BENEFITS

If you or any of your dependents incur charges which are covered by any other group plan, the benefits of this plan will be coordinated with the benefits of the other plan so that the total benefits received are not greater than the charges incurred.

Commonly Asked PPO Questions

The plan provides excellent coverage for you and your eligible dependents. Please refer to the plan highlight for more details. As an added bonus, our plan includes access to Ameritas' Participating Provider Organization (PPO).

Do I have to use an Ameritas PPO provider?

No, employees and their covered dependents may utilize any licensed dental provider that they choose.

Please note, there is no difference in the coinsurance, deductible, and maximums on either plan whether a PPO provider is utilized or not.

Why would I use an Ameritas PPO provider?

By using a PPO provider:

- A Participating Provider is a dentist who has entered into an agreement to provide services to insured members of Ameritas' plans for a specific fee. Any insured member who chooses to go to a PPO provider will receive this discounted fee for procedures performed by that provider
- As part of their contractual agreement with Ameritas, the PPO provider cannot "back-bill" the patient for the difference between the dentists' normal charges and the discounted fees that the dentist agreed to charge as an Ameritas PPO provider.
- PPO providers are required to file the claim for the patient.
- PPO providers are required to wait for reimbursement from Ameritas before billing

the patient for any balances owed for deductibles, coinsurance, any amounts exceeding the annual maximum benefits, etc.

PPO panels are available in many areas; please visit the Ameritas website at www.ameritasgroup.com to search for a provider in your area.

What happens if I don't use an Ameritas PPO provider?

For members that do not want to utilize an Ameritas PPO provider, or if a PPO provider is not available in your area:

- Your Employer wants employees to have options regarding their choice of providers. In addition, we want to ensure that employees that utilize non-panel providers receive exceptional benefits that reimburse claims for non-panel providers in the most optimal way. Non-panel providers can charge their standard fees for any service. ***However, the amount Ameritas allows for each procedure for non-panel provider utilizes 90th percentile of U&C (Usual & Customary) which is considered to be one of the highest reimbursement levels in the industry. This means that 9 out of 10 dentist's charges will fall within the amount that Ameritas allows for each procedure.*** In doing so, employees can feel comfortable that very little back billing will occur due to the amounts allowed by the plan.
- Non-panel providers have no specific requirements regarding filing of claims. However, we have found that many dentists will assist the patient with the paperwork needed to file the claim. If a dentist is not willing to file the claim on the patient's behalf, the patient can simply attach the dentist's bill to a claim form that includes the patient's name and identification number, and fax or mail the claim to Ameritas for processing. Ameritas will process the claim, typically within 7-10 working days. Claim payment can be made to the patient or directly to the dentist if noted on the claim form. The patient can use Ameritas' claim forms which are available in the Benefit's Department or on the Ameritas website (this will be available via our Intranet in the near future), or the patient can use any generic claim forms that the dental office may have available. Filing claims is fast and easy with Ameritas!
